1. No aircraft were parked at the BRANDENBURG-ARADO (N 53/Z 4) airfield on _____ The hangars were closed.

2. On _____ only one fighter was parked in front of the field hangars. According to a field worker a rear detail of about 100 men was quartered in the billets. Most of the former occupation was allegedly transferred to EBERSWALDE (N 53/V 08).

Comment:

The alleged transfer of part of the BRANDENBURG-ARADO occupation to EBERSWALDE- FINCK has been confirmed by other sources. The transfer was made in September 1949. In October 1949 a fighter regiment was again observed in BRANDENBURG. It is assumed that this regiment was transferred from JUTTLERBOG to BRANDENBURG. According to another report *, the regiment was apparently transferred to BRANDENBURG-BRIEST. It is probably assigned to the 1st Air Corps.
